§215.9 Withholding certificates.

Each agency may require employees or members of the Armed Forces under its jurisdiction to complete a withholding certificate in order to calculate the amount to be withheld. The agency shall use the withholding certificate which the State, city or county has prescribed. Where the State, city or county has not prescribed a certificate, the agency may use a certificate approved by the Department of the Treasury. The agency may rely on the information in the certificate. Copies of completed certificates shall be provided to the taxing authority by agencies upon request.

§215.10 Change of legal residence by members of the Armed Forces.

(a) In determining the legal residence of a member of the Armed Forces for tax withholding purposes, the head of an agency at all times may rely on the agency's current records, which may include a certificate of legal residence. The form of the certificate of legal residence shall be approved by the Department of the Treasury. A change of legal residence of a member of the Armed Forces shall become effective for tax withholding purposes only after a member of the Armed Forces completes a certificate indicating a new legal residence and delivers it to the agency.

(b) Heads of agencies shall notify the State of prior legal residence of the member of the Armed Forces involved on a monthly basis concerning the change of the member's legal residence. The notification shall include the name, social security number, current mailing address and the new legal residence of such member of the Armed Forces. The effective date of the

Nonresident employees, who under the State income tax law are required to allocate at least three-fourths of their compensation to the State, shall be subject to withholding on their entire compensation. Nonresident employees, who under the State income tax law are required to allocate less than three-fourths of their compensation to the State, may elect to:

(1) Have State income tax withheld on their entire compensation, or

(2) Have no income tax withheld on their compensation.

(2) By the city or county ordinance from the compensation of each employee subject to such income or employment tax.

(c) Where it is the practice of a Federal agency under Federal tax withholding procedure to make returns and payment of the tax on an estimated basis, subject to later adjustment based on audited figures, this practice may be applied with respect to the State, city or county income or employment tax where the agency has made appropriate arrangements with the State, city or county income tax authorities.

(d) Copies of Federal Form W-2, "Wage and Tax Statement", may be used for reporting withheld taxes to the State, city or county.

(e) Withholding shall not be required on wages earned but unpaid at the date of an employee's or member's death.
